EXPERIENCES

Mighty Pine Brewing

Port Angeles, Washington

Executive Assistant / Beertender

Summer 2024 - Present

- Supporting brewery operations across production workflow and taproom service in a high-traffic customer environment
- Building and sending email campaigns in Mailchimp for events, releases, and promotions; maintain subscriber lists and basic reporting
- Updating and maintaining the brewery website in WordPress, including event information, announcements, and content updates
- Providing day-to-day technical support and backend organization for small business systems; collaborating with ownership on operational and promotional needs

Fern Sprout Studios

Remote

Marketing and Media Assistant

Winter 2024 - Present

- Planning and executing digital marketing to support studio visibility and releases, including content planning and posting cadence
- Producing promotional assets and short-form edits for Instagram and YouTube using Canva and DaVinci Resolve
- Writing and scheduling company updates and announcements across LinkedIn and Instagram to maintain consistent public communication
- Maintaining and updating the studio website with project information, announcements, and portfolio content
- Supporting launch and pitch messaging by coordinating promotional media needs and release-facing materials
- Standardizing brand voice and visual presentation across channels by creating reusable templates and content guidelines

Howl Entertainment Student Organization

New Orleans, Louisiana

Executive Board Member [Marketing and Media]

Winter 2022 - Spring 2023

- Coordinated photo/video capture and basic live event media needs for student performances
- Coordinated with university departments on event planning, scheduling, and technical needs
- Conducted social media campaign planning, scheduling, and brand planning
- Planned and assisted “[Tiny Den](#)” concerts showcasing student performances once per term
- Directed livestream productions and coordinated between sound and camera operators to deliver reliable broadcasts

Lavner Education

Seattle, Washington

IT Intern / Instructor

Summer 2023

- Instructed young learners ages 7-14 on music production and video editing, translating important concepts into easily digestible material
- Created original lessons and presentations using accessible tools for children to understand fundamental digital audio and music concepts
- Collaborated with instructors in a fast-paced environment; resolved technical and interpersonal issues in real time

Freelance

Remote

Visual Media Composer / Sound Designer

Fall 2022 - Present

- Collaborated with teams to deliver original music for feature-length film projects
- Worked with directors to translate creative goals into deliverable cues under deadline
